Moving forward together

We will:

- Continue to redefine success, helping to change today's narrative about higher education.
- Continue to invite industry leaders to help us develop and expand our career pathways.
- Create an even greater sense of place, and work to address growth and infrastructure challenges.
- Continue to be a leader in diversity and inclusion, providing educational opportunity to all students.
- Build on the shared strength of our 90,000 alumni, powering Colorado's vibrant culture and economy.
- Continue to graduate tenacious and purposeful leaders who will help address the workforce needs of today and in the future.
- Be known nationally as the model urban university!
